Appendix I.

[Vide answer to clauses (*b*), (*c*) and (*d*) of starred question No. 309 asked by Sri V. Balakrishnan at the meeting of the Legislative Assembly held on 6th December 1952, page 184 supra.]

At the time of the merger, the Pudukkottai Durbar held 220 fully paid up shares of Rs. 100 each and 220 bonus shares of Rs. 25 each of the Pudukkottai Electric Supply Corporation aggregating Rs. 27·500. On 6th May 1951 in accordance with the decision of the Board of Directors of the Pudukkottai Electric Supply Corporation all the 220 fully paid up shares of Rs. 100 each were converted into 880 shares of Rs. 25 each. Including the 220 shares of Rs. 25 each held already, the total number of shares comes to 1100. Since the value of the shares was small and as the Government do not as a rule invest money in the shares of a private firm all these shares were sold on 21st February 1951 through Messrs. Dalal and Company, Madras. Particulars regarding the names of persons to whom they were sold, number of shares sold each and the amount are given below :—
